### AFFIDAVIT

I have read and I am aware of the requirements for swimming pool safety barriers specified by the International Residential Code Appendix G.

I realize that by signing this affidavit I am responsible for ensuring that the swimming pool is properly protected by a barrier during the construction process and after construction is completed. This assignment of responsibility applies whether I am the permit holder or if I hire a licensed contractor for the installation of the pool who has obtained the required Construction Permit.

**In addition, I assure that the swimming pool will not be used or otherwise occupied until a final inspection is made and passed by the Stafford County Department of Public Works.** Although anyone can schedule the final inspection, The Virginia Uniform State Wide building Code assigns specific responsibility for scheduling all required inspections to the Permit Holder (Section 113.1.2)
